

Business Summary and Compensation Plan

*Unleash affordable Essential Life-Style for R1500 Once off
No Hustle, No Boundaries*

Business Description

Essential Lifestyle is designed to support African communities by creating income stability and good health. You either Go big or go home that's our slogan.

Everybody is intended to earn and be part of our productive team. We think out of the box, and we do the impossible because we believe there's power in selflessness and fairness. Here you only buy one package of R1500 only and receive much more. The company is focusing at providing competitive income, housing and car allowance. We want to travel the world while our families are well taken care of. Creating trust accounts that will take care of our loved ones even when we are no more.

Vision

- ❖ Selfless communities coming together uplifting one another with fairness; achieving the impossible.
- ❖ To be regarded as the best choice with reputation for professionalism and high ethical standards.
- ❖ Essential life-style company - the heartbeat of a thriving nation enjoying financial stability and good health.

Mission

- ❖ We are determined to change the view of how network marketing business is perceived.
- ❖ Educate the world about the difference between network marketing and pyramid scheme.
- ❖ Transform communities.
- ❖ Eradicate poverty without a trace.
- ❖ Building healthy and wealthy communities

Our Goal

- ❖ To honor all promises and commitments .
